Dear Sir:

With reference to the subject application, and in accordance with 37 C.F.R. §1.97 and § 1.98, minor errors have been found on the Form PTO/SB/08/a/b submitted to the Patent Office on November 30, 2006. The country of the foreign documents was incorrectly given as "JP". The correct country for both documents is --KR--. Applicant submits a **corrected** Form PTO/SB/08a/b. The Examiner is requested to make this document of record.

Applicant would appreciate the Examiner initialing and returning the Form PTO/SB/08a/b, indicating that the information has been considered and made of record herein.

The information contained in this Information Disclosure Statement under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist;

(iii) the information, protocols, results and the like reported by third parties are accurate or enabling;
or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicant petitions for any required relief including extensions of time and authorize the Director to charge the cost of such petition and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **(393032042000)**.

Dated: January 31, 2007

Respectfully submitted,

By
